

"Veterans in Business-Still Serving America"
Machine Tools South

Birmingham, Alabama

"Service Disabled Veteran Owned Small Business"

New Metal Fabrication Machinery Line Sheet 2011

- Abrasive Cut-Off Machines & Wheels "Made in USA"*
- Circular Cold Saws*
- Cleat Benders & Folders, Cheek Benders & Beaders "Made in USA"*
- Cold Saws, Standard & Automatic "Made in USA"*
- Drill & Beam Lines, Angle Lines & Punch Lines "Made in USA"*
- Dual & Single Cylinder Ironworkers & Single-End Punches*
- Ergonomic Manipulators, Palletizers, Conveyors, Loaders & Stackers "Made in USA"*
- Folding Machines, Slitters, Roll Formers, DeCoilers, & Cut to Length Lines*
- HD Hydraulic Press Brakes, Shears & Presses "Made in USA"*
- High-Precision & Heavy-Duty Turret Presses, CNC Precision Brakes & Shears*
- Horizontal & Vertical Band Saws*
- Hydraulic Bending Machines & Cleat Benders "Made in USA"*
- Hydraulic Rotary Draw & Ram Bending Machines "Made in USA"*
- Hydroforming Press Systems "Made in USA"*
- Mag Drills, Slugger Cutters, Pipe Notching, Bevellers & Grinding Equipment "Made in USA"*
- Manual Mills, Lathes, Surface & OD/ID Grinders, & Radial Arm Drills,*
- Manual Vertical & Horiz Mills, Surface Grinders, & Lathes "Made in USA"*
- Metal Surface Preparation & Blasting Machinery & Industrial Washers "Made in USA"*
- Permanent Electro Magnetic Heavy Duty Lifting Systems*
- Pittsburgh Machines, Cleat & Cheek Benders, Slitters "Made in USA"*
- Plate & Angle Rolls "Made in USA"*
- Plate, Pipe, Angle rolls, / Rebar Shearing & Pipe Bending Machines*
- Pneumatic Press Brakes "Made in USA"*
- Portable & Shop Pipe & Tube Saws, Pipe Beveling, Cutting & Weld Prep Machines:*
- Precision Plasma & Oxy-Fuel Cutting Systems "Made in USA"*
- Press Brake & Shear CNC Gauging Systems "Made in USA"*
- Robotic Welding Systems & Weld Tooling "Made in USA"*
- Router Cutting Machines "Made in USA"*
- Shear Conveyors, Stackers, Sheet Supports & Hyd Press Brake Work Supports "Made in USA"*
- Sheet Metal Brakes & Shears "Made in USA"*
- Standard & Precision Plasma Cutting Machines "Made in USA"*
- Standard Press Brakes & Shears*
- Structural Steel Cambering Machines "Made in USA"*
- Tube & Plate Fully Automated Laser Cutting Systems*
- Vertical & Horizontal Band Saws, Plate, Carbide & Vertical Contour Saws*
- Vertical, Horizontal, Dual-Column Band Saws "Made in USA"*
- Water Jet Cutting Systems (3& 5 AXIS) & Ind'l Automation "Made in USA"*

Premium Band Saw & Shear Blades, Turret, Press Brake, & Ironworker Tooling.

Capabilities Statement

Machine Tools South (MTS) is a Factory-Authorized Distributor/Dealer and Service Provider for Machine Tools & Metal Fabricating Machinery:

- CNC & Manual Metal Fabricating Machinery including:

- | | |
|---------------------|---------------------------------|
| √ Press Brakes | √ Angle Rolls |
| √ Turret Presses | √ Laser Cutting Machines |
| √ Hydraulic Presses | √ Plate Rolls |
| √ Hydraulic Shears | √ Plasma Cutting Machines |
| √ Band Saws | √ Water-Jet Cutting Machines |
| √ Ironworkers | √ Blasting & Cleaning Machinery |

Specialty Manufacturing Machinery including Robotic Welding, Plasma, Water-Jet & Laser Applications.

Machine Tools South is unique in that:

- Over 90% of our Machines & Tooling are **“Made in USA”**.
- Small Businesses sought out from the inception of MTS to Manufacture Products for MTS (6+ years ago) are comprised of the following types of Small Businesses:
 - ✓ Woman-Owned Small Business **USA**
 - ✓ Veteran-Owned Small Business **USA**
 - ✓ Family-Owned Small Business **USA**

MTS has Sold & Serviced Machinery to the following Manufacturers / Fabricators / Government Prime Contractors:

- **National Steel Car**, Cherokee, Alabama (**Shot Blasting Machinery & Oven-Paint Booth Line**)
- **Mid_South Fabrications**, Helena, AL. (**Beam Line-Bandsaws-Ironworkers-Bridge Cranes**)
- **Hornsby Steel**, Cleveland, Alabama (**Plate Rolls-Brakes-Shears-Ironworkers-Saws**)
- **Chart Industries**, Atlanta, Georgia (**Automated Plate Rolls- w/ Auto-Feed Tables**)
- **Jacobs ESTS Group-NASA Support**, Huntsville, Alabama (**Hydraulic Plate Shear**)

MTS serves as both Primary and Back-up support activities for many of the products by providing:

- ✓ **Support & installation products sold**
- ✓ **A team of Highly Talented & Reliable Technicians**
- ✓ **Lead Hydraulic-Electrical Technician is a Service-Disabled Veteran-Marine**
- ✓ **Lead Blasting/Ind'l Washers/Vibratory Finisher Technician is a Navy Veteran**
- ✓ **Lead CNC Plasma / Oxy-Fuel Technician is a Vietnam Army Veteran**

MTS Government Agency, Prime Contractor, & Military Installation Quoting & Bidding Information

- **Cage Code 5LVJ6 ORCA & Vet Biz Certified**
- **NAICS Codes 423830 423840 811310 333513 333512**
